LAST EDITION

THE ELECTIONS.

New York Now in Doubt-Mary land and Mississippi Democrat-ic, and a Clean Republican Sweep Everywhere

Else.

NEW YORK, Nov. 3 .- The Times and Tribune estimate that the results of the election in the different States indicated by the returns thus far received may be

summarized as follows: New York is believed to have gone Democratic by greatly reduced majori-

ties. Pennsylvania Republican by 15,000.

Massachusetts Republican.

The Herald editorially congratula tes
New York city on the defeat of Tammany, and says: It is the most gratifying
political victory since the late everthrow
of the Grant party at the last of the Grant party at the last autumn's elections. Editorially referring to the State elections, the Herald says, the elec-

State elections, the Herald says, the elections yesterday prove that the so-called tidal wave has been arrested, and that the Democratic party is not so strong in the country to-day as it was last fall.

The Tribune says that, though the results of yesterday's elections gives neither party such a positive and promised advantage as to warrant any excessive demonstration of delight, it has with cartainty settled the financial question in favor of hard money.

The World's editorial is devoted solely to congratulations upon the Democratio

to congratulations upon the Democratio victory in this State, and the support given to Tilden's reform.

NEW YORK.

NEW YORK, Nov. 8 .- The election in this city resulted in an overwhelming defeat of Tammany. The full Anti-Tammany city and county ticket is elect-

morning, says the indications point to the election of the whole Republican

the election of the whole Republican State tloket,...

The Times says Gov. Tilden's great majority of 50,317 last year has dwindled away, and there is good encouragement for a belief that the Republican State ticket has been elected by more than 8,000.

7. The Herald says the Democratic majority of last year has been reduced forty thousand, and the Democrats probably carry the State by from five to six thousand.

The Tribune, in an extra at 8 o'clock this morning, estimates that Bigelow will have 2,000 to 3,000 majority. The Herald and Sun concede the Sen-ate to the Republicans, with the Assem-

ate to the Republicans, with the Assembly in doubt.

The World says the Legislature is in doubt. The Democratic majority will be smaller, in both branches. It believes the Assembly will be Democratic. The majority on the Democratic State ticket for Secretary of State it puts at 10,000.

From present appearances the Republicans will control both branches of the Legislature.

PENNSYLVANIA.

Legislature.

PHILADELPHIA, Nov. 3 .- Full returns from all the wards of this city give Hart- dead. rantt, for Governor, a plurality of 17,-352. The Prohibition ticket polled 631 votes. The Republicans elect their entire county ticket.

PITTSBURG, Nov. 3 .- Returns from western counties of this State come in slowly at this hour. The following have been received: Armstrong county, six Districts, give Hartranft, Republican, 207 majority, a Democratic gain over last year's vote of 22. Beaver county, six Districts, Republican majority, 363; Republican gain, 100. county, nine Districts, Republican majority, 222. Clarion county, ten districts, Democratic majority, 52; ten districts, Democratic majority, 52; Republican gain, 38. Crawford county, eleven districts, Republican majority 625; Republican gain, 247. Fayette county, five districts give Pershing, Democrat, 298 majority; Democratic gain of 70. Greene county, two districts, Republican majority, 25; Democratic gain, 12. Indiana county, six districts, Republican majority 574; Republican gain, 142.

gain, 142.

Best estimates put the Republican majority in the State at 15,000.

MISSISSIPPI. JACKSON, Nov. 3 .- The election passed off very peaceably; no disturbance reported at any point. Returns indicate that the Democrats carry the State by 10,000. They have a decided majority in both Houses, and elect four Congressmen, and perhaps the entire Congressional delegation.

ILLINOIS.

CHICAGO, Nov. 8 .- Seventy-four pre cincts give Huck 19,732, Keeley 5,981, Hessing 16,187. The Opposition claim that the county and towns will give Hessing nearly a solid vote, and hope by this aid to overcome the city majority for Huck, which seems inevitable now.

MINNESOTA.

St. Paul, Nov. 3.—Latest returns from various parts of the State do not give basis for close calculations. The Republican State ticket is undoubtedly elected, with the exception of State Treasurer. This is uncertain. The Republicans do not claim over 5,000 majority. It is impossible to make a close estimate of the Legislature, but it will be largely Republican.

Geo. Adair, who boasted of knocking an infant's brains out on the wagon wheels at the Mountain Meadow massacre, was arrested in Southern Utah, and confined in the Beaver Jail.

J. P. Hunter, 23 years of age, and unmarried, was shot and killed by Joe Hunt, in a quarrel at Beaver, yesterday evening. Considerable excitement exists, Hunt being to blame. He is heavily guarded. Violence from Hunter's brother or by lynching is feared.

KANSAS.

LEAVENWORTH, Nov. 3 .- The whole Republican county ticket is elected by about 300 majority. There are no returns about 300 majorsty. There are no returns received from the State, and nothing can be given in regard to the result.

TOPEKA, Nov. 3.—Very light vote, only 300 cast in this city. In the Fifty-sixth District, Silver, Independent Republicant, is elected to the Legislature over Adams, regular Republican. In the Fifty-seventh District, Bonebrake is elected without opposition.

MICHIGAN.

DETROIT, Nov. 3 .- The contest for Mayor was squarely on the Sunday Liquor question. Alexander Lewis was the regular Democratic nominee and was also at the head of the Law and Order ticket as against W. G. Thompson, the nominee of the Republican Convention. The result is a decided victory for the former. At this writing Lewis' majority is estimated at considerably over 1,500.

BALTIMORE, Nov. 3 .- Seventeen wards give Carroll, Democrat, an aggregate

majority of 15,480. The three remaining majority of 10,480. The three remaining wards give Harris 313 majority, leaving Carroll's majority in the city 14,918, an increase of 12,162 over Latrobe's majority last Wednesday. Returns from the counties are very meager, but the indications are that the entire Democratio State ticket is elected.

WISCONSIN.

MILWAUKER, Nov. 3 .- Returns from the City of Milwaukee and eighty-five towns give Taylor, Democratic Reform candidate for Governor, 92 majority. Re-publican gain, 10,017.

The total vote for Governor in this city

The Islai vote for Governor in this city is: Ludington, 5,009; Taylor, 5,816; Taylor's majority, 727; Republican gain, 5,620. In the city and in sixty towns Ludington's majority is 583. The Republican gain is 9,372, Ludington and the balance of the Republican State ticket is undoubtedly elected.

MASSACHUSETTS.

Boston, Nov. 3 .- Complete returns rammany city and county ticket is elected by a large majority. John Morrissey has won the Segatorship over John Fox, and Resorder Hackett and District Attorney Phelps are both re-elected. The Anti-Tammany nominees for the minor offices are nearly all elected by handsome majorities. It is probable that James Gerard is the only Tammany Senator elected in this city.

The total vote is this city, with a few districts to hear from, is 119,634. The Democratic State ticket has a majority in this city of 27,500.

In this city of 27,500. from 322 towns in this State, all but 18,

Democratic State ticket has a majority in this city of 27,500.

The majority for Hackett and Phelps over the Tammany candidates is about 23,000. Col. Gildersleeve, of Dollymount fame, has secured another victory in his election as County Judge over Spencer, the Tammany candidate.

There is a conflict of opinion as to how the State has gone, and neither side yet claim it with curtainty. The Sun (independent), in an extra at six o'clock this

TRENTON, Nov. 3.—The Republicana, have the State by a large majority. Both branches of the Legislature will have a Republican majority. Last year the Democrats had 17 majority in the Assembly. This year the Republicans will have three majority in the Senate and h ree in the Assembly.

VIRGINIA. RICHMOND, Nov. 3. - Returns are meager, but it is believed that the present complexion of the Legislature will

not be materially altered.

Gen. Bradly T. Johnson is elected to the Senate by 200 majority. OREGON.

PORTLAND, Nov. 3 .- Late returns materially reduce the majority of Lane, Democrat, for Congress. A dispatch from Salem says returns indicate the election of Warren, Republican, by a small majority.

ROCHESTER, N. Y., Nov. 3 .- As Pro fessor H. B. Hackett, of the Theological Seminary, entered his dwelling after the duties of the morning session, he dropped

He was dis-covered by the neighborhood and re-moved to the Hospital, but is not ex-pected to live.

A Duel Doubly Fatal. NEW YORK, Nov. 3 .- Yesterday after noon on Delaney street, No. 106, the po lice found Joseph Goldman dead, and David Jeroslaw alive, but unconscious. Goldman had two bullet wounds in the head and Jeroslaw one. The two men had been in partnership in the jewelry business, and after frequent quarrels dissolved. It is believed Goldman enticed Jeroslaw to his room, and after locking the door forced him to fight a duel. Both telela were aventy after and it is head. pistols were exactly alike, and it is be-lieved belonged to Goldman. Five cham-bers of Goldman's pistol were empty, and four of Jeroslaw's weapon. MINNIE PALMER.—A charming little actress of the Lotta school, Miss Minnie Palmer, is to be the star at the Grand Opera-house next week. She seems to be carrying things by storm wherever she appears, being very polite and pretty, a vivacious actress, and a nice singer and dancer. Her piece de resistance is a drama written expressly for her by C. E. Callahap, of this city. It is called "Little Silver," and describes the vicissitudes of a poor little waif, who finally becomes a lady. The play was successfully produced in Wheeling last week, and is being played in Pittsburg this week.

recently promulgated in that paper's columns, that the city abounds with thieves and robbers; that crime of alkinds is alarmingly on the increase, and that the police management, under the control of the Mayor and Chief of Police is incificient.

The Mayor regards it as a severe assault upon his official conduct, and denies that there is any other city of its class that can show a better record is this regard; and he claims that the efficiency of the police under his administration will invorably compare with any of his predecessors.

He says: "It is very easy for writem of the press to make reckless assertion affecting individual character, but it is not very honest for them to do so unless they accompany them with substantial facts, which you (the Gazette) have not done."

The motives that impel these false charges are of a purely partisan characacter, and he would not be inclined to hold the Gazette to a rigid accountability, were it not that the articles in question are calculated to impair the credit of the city, and to drive trade from our doors.
